Hi There,

Thank you both for all you done during our visit. We really enjoyed it and appreciate it very much.

Bobby really enjoyed the pool games. He is not doing to good now. He is very confused and sleeps a lot now. But thank God, he doesn't complain about hurting to often. So I am hoping he is not hurting and want tell me, so I want worry.

Hope you all had a nice Thanksgiving, mine was hectic but got threw it. Had to call 911 to take my sister to hospital on Wednesday, she had pneumonia, she was in there a week. I had to work, had to get someone to sit with Bobby, had to cook big meal, because we had invited family over for Thanksgiving dinner.

So for Christmas someone else can help me cook I do not plan to fix the whole meal by myself. Blame me?
☺ Well you all take care and come see us when you get a chance,

Love You,
Aunt Betty
